Dear Judge,

RE: 1. CELSIUS BANRUPTCY
2. NO DISTRIBUTION RECEIVED
3. IONIC DIGITAL, MINING COMPANY

I am one of Celsius victim, age 53 year old. I reside in Asia.

I wish to state and put on record that until now, I have not received my 1st distribution of money from Celsius even though I have read that the 2nd distribution has been planned. I have written to Celsius but as usual there is no answer given.

Secondly, the setting up of Bitcoin mining company via Ionic Digital using Creditor's money may be a second blow and whammy to all Creditors. There is hardly any communication, accountability and transparency from the company. Creditors are being kept in the dark.

Please help.

I am very much obliged and thank you very much an advance.

Yours sincerely,

gchjimmy
